

OUR GUIDING PRINCIPLES

As a partner agency with

Care Connections of Halton Hills

we commit to:

1. Fostering service collaboration to support ease-of-access to services.
2. Promoting a collaborative environment by profiling partner services and programs.
3. Optimizing knowledge and understanding of partner programs and services to enhance the care experience.
4. Supporting partner referrals for timely access to services identified as appropriate in attaining care goals.
5. Fostering a climate of respect, cooperation, commitment and shared responsibilities.
6. Participating in discussions to support open communication and identification of opportunities to enhance our community hub.
